

ENSE374
ACTIVITY #1
TEAM O'BRIEN

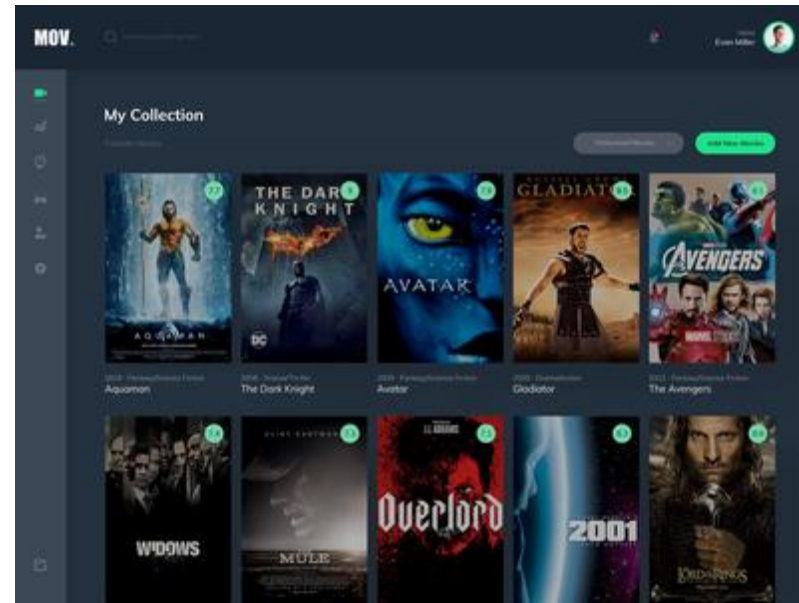

TEAM MEMBERS

- Kecheng Yu
- Gregory Sveinbjornson
- Feras Daghmoush

PROJECT IDEA

Personal Movie Database

- Login / Signup webpage
- Main page
- Personal webpage
- List of the subscribed movies
- Link to a movie's trailer

REASON / IMPACT

- To help user brows and create a personal movie list
- To practically apply engineering knowledge we are observing through software courses
- To challenge ourselves and be prepared for a potential future Carrer tasks
- To have fun and fulfil our interest

WHO ?

- Who is your audience?
Adult Audience
- Whose opinion matters?
Every user's opinion matters
- Who do you want to reach with your work?
Students and colleges at this level
- Also, know/discuss where your audience is?
In the same city
- Where do they get their information?

WHAT TYPE OF CONSTRAINTS YOUR TEAM ENVISIONS?

- Managing to complete the puzzle with available time and knowledge.
- Managing to build a database and link it to server , and verifying valid emails seems to be challenging
